After solicitation and interviews of a number of firms, the Town selected the firm of VHB with a subconsultant of Camoin Associates. A draft Scope of Services has been developed. The process will involve the community and allow for feedback. Mr. Reiner is looking to establish a steering committee or focus group, which will include representatives of different interests and different areas of the community. All meetings will be open to the public and the process will take about six months.*

The Town Manager and the Director of Finance are authorized to amend such declaration of official intent as they deem necessary or advisable and to bind the Town pursuant to such representations and covenants as they deem necessary or advisable in order to maintain the continued exemption from federal income taxation of interest on the bonds or notes or obligations authorized by this resolution if issued on a tax-exempt basis, including covenants to pay rebates of investment earnings to the United States in future years.
